Final Report Form

Project Results

Describe the outcomes and impact of the work undertaken with this project.

Impact on Organization and Community

Describe the impact that this project and the Public Participation Grant funding has had on your organization and the community.

Other Outcomes

Has your participation in Historic Columbus helped you to identify and secure new partnerships? Has it led to an increase in capacity which allowed you to hire additional staff? Has it helped you identify new volunteers to assist your organization or site?

Board of Directors

Has there been any change in the effectiveness of your board since participating in the Public Participation Grant? Is your board of directors more focused or energized after participating in Public Participation Grant?

Social Media

Do you now have a greater social media presence as a result of your Public Participation Grant participation? Please describe any changes. If you have gained new Facebook or Twitter followers as a result of this program, please estimate the number of new followers.

Promotion

Describe any promotional efforts related to this project and the impact that these efforts have had on the visibility of your site and your organization. Has your participation in Public Participation Grant led to an increase in visitors to your site?

Larger Rehabilitation Project

If the Public Participation Grant is just one part of a larger rehabilitation project, please describe how this project contributed to your broader historic preservation efforts.

Community Benefit

If possible, please provide specific stories that detail how the community or individuals benefited as a result of this preservation project.

Continued Collaboration

Please describe any examples of continued collaboration with other Public Participation Grant sites after the program concluded. Please share any ideas you have for continued collaboration with your cohort Public Participation Grant sites or the Public Participation Grant at large in the future.

Additional Funding

Were you able to leverage Public Participation Grant funding to attract additional private, public or foundation funding for capital improvements? Please estimate the amount, and detail the sources of these funds.

Please attach the following:

- A financial statement showing income and expenditures to date.
- A scan of receipts for all expenditures listed on the financial statement.
- Any news articles or other publicity generated by the project.
- Photos of the project featuring the work supported by this grant. Include photos with people working on the project, if available.
- A word document with date, photo credit, and a brief description (one sentence) for each image. Make sure it is clear what information corresponds with what photo.
